

NIZAR MASADEH

FULLSTACK DEVELOPER

PROFILE

Highly motivated and skilled Frontend Developer specializing in Angular, with experience in delivering dynamic and responsive web applications. Proficient in integrating advanced frameworks and APIs, and adept at working collaboratively in remote and diverse environments. Demonstrates exceptional organizational, communication, and problem-solving skills. Passionate about coding, continuous learning, and contributing to innovative solutions that enhance user experiences.

EXPERIENCE

Hawsabah

Backend Developer (NestJS) | Sep 2025 - Present

- Developing and maintaining the backend of Sahabah (sahabah.com.sa) using NestJS and MySQL.
- Implementing secure authentication, caching, and role-based access control for scalable APIs.

Futeric (Amman, Jordan)

Fullstack Developer (Angular | NestJS) | Aug 2024 - Sep 2025

- Leading development of Dliv, a delivery platform with a React frontend, NestJS backend, and PostgreSQL database.
- Deployed and maintained infrastructure on Google Cloud Console with advanced monitoring and scaling.
- Built Angular admin dashboards and optimized frontend performance with RxJS.
- Integrated Redis for caching and real-time event handling.
- Managed internal deployment and CI/CD pipelines using PM2 and Jenkins.

ENTERPRISE DEMONSTRATIONS

Ziraat Bank (Istanbul, Turkey)

Enterprise Demo for Futeric - XAP Platform | May 2025

- Presented XAP (Futeric's PaaS) to the technical team leader and engineers at Ziraat Bank.
- Demonstrated high-level architecture, scalability, and integration with Elasticsearch.
- Explained real-world use cases and deployment strategies for enterprise adoption.

FREELANCE PROJECTS

Jordan River Foundation (JRF) - 2022

- Volunteered for five months, supporting community development initiatives (two months remote)

King Abdullah II Fund for Development

- Volunteered for 136 hours, participating in initiatives aimed at national development and youth empowerment.

University of Jordan Choir (Coral)

- A dedicated member, contributing to cultural and musical events, showcasing teamwork and artistic skills.

HOBBIES AND INTERESTS

- Music enthusiast and skilled guitar player
- Good research and analytical skills.
- Committed to continuous learning and personal development.
